

write_command_byte

```
graph LR; A[write_command_byte] --> B[kbc_input_buf_full]; B --> C[util_sys_inb];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'write_command_byte'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'kbc_input_buf_full'. Another dark blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'util_sys_inb'.

kbc_input_buf_full
