

read\_ACK\_byte

```
graph LR; A[read_ACK_byte] --> B[util_sys_inb]
```

A flow diagram consisting of two rectangular boxes. The left box is shaded gray and contains the text 'read\_ACK\_byte'. A dark blue arrow points from the right side of this box to the left side of a second, white box on the right. The white box contains the text 'util\_sys\_inb'.

util\_sys\_inb
